# Perfect Husband: The True Story Of The Trusting Bride Who Discovered Her Husband Was A Coldblooded Killer

## **Synopsis**

As seen on A Current Affair "the shocking story of Florida's most bizarre multiple murder case. As Lisa and Kosta Fotopoulos lay sleeping in their home, a burglar broke in and shot Lisa at point-blank range in the head. Miraculously, she survived to learn the sobering truth about her would-be assassin and about her sociopathic husband's deadly agenda.

## **Customer Reviews**

Murder, sociopaths and bad relationships. A takeaway from this could simply be, be careful who you are with, you never know what people are capable of. The book is fairly well written though at times it's a little stilted. This book isn't so much a story as a recitation of facts

This book was intriguing to read. One feels sorry for the poor disillusioned wife when she figures out the truth about her "loving, caring husband". It keeps the reader's interest from beginning to end.

To say love is blind is an understatement in this particular case. How no one saw thru this monster

is incredibly hard to believe, but he was apparently a very convincing liar. This is one of those books that you can't wait to get back to.

While the facts of the story are interesting, I was not drawn into the book but finished it just to see the outcome. There was no suspense or feeling the desire to never put the book down - I put it down several times.

I did not care for the writer or the book.

Well written with lots of surprises and insight. Couldn't put it down.

Slow and boring read. Don't waste your money.

This author is an amazing writer!! My favorite true crime of all time "Without Mercy" as written by him!!! You can not go wrong with this book!!!
