Customer Reviews

Just what I wanted, except I was disappointed not to see the words to the Russian National Anthem.

Excellent condition, rapid delivery, money saving purchase all contributed to one VERY happy customer-Me!

When I bought this book I know it oughta show me more about national anthems. I've been studying about those things since I was a little boy and I thought of buying this book. If you wonder what the lyrics of "God Save The Queen" are, it's history and the Union jack then that's the book for you.
