Customer Reviews

Wow! This is Filled with Low Carb Desserts Recipes. Yes, this book is truly filled with as Marc Reid says, "variety of mouthwatering, low-carb, high-fat sweet treats that come together quickly and easily." Included in each recipe is a serving, ingredients, directions, nutritional facts, and some author notes at the end. And among all the recipes in this book, here are my favorites:- Chunkie Chocolate Cookies- Spicy Pumpkin Ice Cream- Chocolate Almond Brownies- Almond Choc Cookies- Hazelnut Chocolate Cream- Instant Coffee Ice Cream- Chocolate Mousse- Vanilla Mousse Cups- Almond Cookies- Instant Pineapple Cupcakes- Caramel Lover's Dream- Pink Tiramisu- Passion Fruit and Mango Combo Sorbet- Coco-Vanilla Ice Cream Overall, this book is a variety of wonderful delicious low-carb and high fat treats for everyone. I highly recommend this book to everyone who wants to make tons of dessert recipes on Low Carb diet. With that, I'd give Marc Reid and Low Carb a Very High 5-Star.

Desserts - my favourite part of my every meal. I'm just concerned that I may get fat when I ate too much of it. Who among us wants to get fat and become unhealthy right? This book teaches us how to enjoy our desserts, without thinking that we can become fat and unhealthy. This book is very useful and informative. Every recipe contains the full nutritional breakdown so we can track our calorie intake on our own. The recipes were good. I just hope that it has a picture, so I can choose what I really wanted to do as my dessert. But all in all. I like this book. Kudos to the author for writing such book! It helps!

Every recipe contains the full nutritional breakdown so we can track our calorie intake on our own. The recipes were good. I just hope that it has a picture, so I can choose what I really wanted to do as my dessert. If you aim to lose weight but still itching for some desserts, this recipe book might just be the right treat for you. It's filled with low carb dessert recipes that aim for weight loss. It contains a lot of nice recipes which are low in carbohydrate. This recipes also has guide to

preparing them.

If you aim to lose weight but still itching for some desserts, this recipe book might just be the right treat for you. It's filled with low carb dessert recipes that aim for weight loss. Low carb diet basically refers to the very low intake of carbohydrate in the body. So what you may ask. Well, with less carbohydrate in the system, the body will turn to fats as its primary source for fuel which helps in weight loss. Will definitely going to try some of the recommended recipes for sure.

I was looking for a cookbook for desserts, I wanted to bake for my aunt who will be visiting me this weekend, and I know that she also watches what she eats, and that is because of diabetes. And so when I saw this book about low carbohydrates desserts, I downloaded it. After reading the book, yes, I found very tasty chocolate and fruit cookies and cakes, and I plan to bake this, there are also details about net servings and that helped me to decide.

This low carb cookbook is packed with easy to make low carb desserts that will make your mouth water. These recipes are great for anyone trying to watch their carbs or lose weight. Love the recipes easy to make and I can still have desserts and stay on my low carb diet, I can't wait to try some of the recipes especially the carrot flowers muffin. So many interesting recipes, There is a little something for everyone to enjoy. Thanks to the author.

Carbs is one of the cause for weight gain. I can't help it but crave for it. We can't deny that foods that have carbs are pretty delicious. When I saw this Low carb dessert bible, I grab this immediately to get recipes that had lesser carbs but can satisfy my craving at the same time. And I was not wrong, I can say that all foods here are quite delicious. Now I have the alternative that I won't worry of my figure.

It was a nice Low Carb recipe book. I found a lots of recipes here with clear instruction. The most helpful part of this book is the author leave here the nutrition information here for all those recipes so that you can find the best recipes for you. It's a real recipes bible. I gave this book 4 stars because there is no picture for those recipes. I hope the author will care about it. I like it and recommend it to all.
