Read this book in a little over an hour. I love James Patterson books and have read all of The Women's Murder Club books. However I did not like this rapid fire way of telling the story. The plot was good but did not develop the story line in enough depth. I probably will not buy another of these BookShot books!

A SIGH OF RELIEF. I have finally read a bookshot that I enjoyed. Okay, it was only the third one I have read, but the other two were so disappointing, it seems like I read more. Maybe it is just because I love the WMC series too much, or maybe it is Maxine Paetro's writing that saved this one. Whatever it was, thank god! I was starting to lose hope in them. I think this storyline is what bookshots were made for, and the first two didn't hit the mark. The Trial, as the title explains, follows one trial. The book is all about the one trial. I didn't feel like any information was left out

in this short format, and I didn't feel like I was cheated. I could have read a full length novel and been satisfied as well, but it worked for bookshots.5/5 Stars

THE TRIAL, a short story or as authors, James Patterson and Maxine Paetro tag it, is a delightful lunch-time read. The story stars San Francisco PD homicide detective, Lindsey Boxer, a member of the Women's Murder Club. The narrative opens with the brutal and notorious Mexican drug lord, Jorge Sierra, AKA, Kingfisher, blowing away two women patrons at the Vault, a high-class restaurant/bar in San Francisco. After two of his bodyguards are killed in a subsequent shootout with police, Sierra surrenders. From his prison cell and at his trial, Sierra threatens jurors, law enforcement and even the judge with death. He makes good on some of his threats. Detective Boxer and the WMC keep the story lively, intense and a real page-turner. I enjoyed the story only wish it had been a full length novel. I give the narrative a 5-star rating.

I generally like the Women's murder club series, however the last few have not been as good. This short story, is sort of a continuation of a book that ended abruptly, instead of continuing the book and this as the ending, the authors thought that they could get additional money. I remember when I finished reading it there was something wrong.

I love Patterson books! Always great reads. Hate to put them down. Having a new puppy in the house caused me to take longer with this suspenseful "Women's Club" down way too often. On to the next one. Enjoy!!

I really like the characters in the Women's Murder Club, so I knew that I would enjoy this BookShot. Although short, it was a good story and kept me interested until the end. Good price, too. James Patterson knows what he's doing.

I love The Trial. It was action from the beginning to the end. Made you wonder about a lot of things. Fast moving. Thanks, loved it ^• ^ ^ I also like all the characters even including the bad ones ..very interesting!!

I usually really like the women's murder club mysteries but this one falls short on so many levels. I like reading about all 4 of the ladies and how intertwined they get but this one lacks the remaining 3. Claire is mentioned for a sentence or two and its even disappointing. Not sure I should recommend

this to any of the readers. Sorry.
