Synopsis

The fiery bravado of a matador . . . the intense passion of a singing troubadour . . . the grace and beauty of a spirited seÃorita . . . these striking images of Spain permeate this grouping of early intermediate and intermediate piano solos, making a lasting impression on all who hear or perform them. All seven solos are easy to master technically, yet are imbued with rolled chords, triplet-infused melodies, staccato and legato phrasing and vibrant dance rhythms.
