Chippendales: The Naked Truth

Synopsis

Biography of a hair stylist living in Issaquah Wa, a former Chippendales lead singer/dancer touring the Scandinavian countries in 1993 with a Broadway style stage show. It is an expose of behind the scenes Chippendales male erotic strippers, their orgies, drugs, steroids, on and off-stage antics during a six month tour of Europe.

Customer Reviews

This book is not only steamy, it is extremely funny and pun-ny too. The story of the founder of Chippendales and the way he started the first club in Los Angeles was fascinating. The book is so descriptive that when I read about various European cities, I felt like I was there. Not many guys would pass up the opportunities Troy Kline had to perform with the world famous Chippendales and have women falling all over them night after night. I commend the man for finally seeing his instant celebrity for what it was and realizing he needed to make a major change in his life. I thoroughly enjoyed the book and am looking forward to the sequel. Cherie, Band singer.

Parts of this book read like a hilarious romp from someone in his twenties. Parts are bittersweet, and some are hard to believe. It is entertaining and probably resonates as much today as it did twenty years ago. Gives new perspective to what constitutes the life of a male dancer and the dysfunction it causes in life.

It's all here! Chippendales...The Naked Truth is a behind-the-scenes expose of action both on stage, and off of those male strippers you've always heard about. ã Æ Chippendales...The Naked Truth is a true account of Troy Kline, a handsome, tall, twenty-eight-year old experiencing life in an all-male Chippendales strip review touring the Scandinavian countries in the spring of 1993. ã Æ Take a cataclysmic ride across theatre stages and into Rave Clubs and hotel rooms where Chippendales erotic dancers not only strip their lives bare, but participate in drug excesses and sexual orgies with willing subjects. ã Æ Experience after-hours antics of women enticed by muscular fantasy men, advances taken for granted by Chips on the prowl for sexual pleasure."--ã Æ © zebraz

THE BOOK IS MOSTLY ABOUT THE SEXUAL EXPLOITS, DRUGS AND INSTANT FAME THE "CHIPS" RECEIVE IN EUROPE. TROY KLINE TELLS THAT HE FEELS GUILTY, THAT HE WAS DOING WRONG. BUT SOMETHING TELLS ME THAT PART OF HIM HAS FOND MEMORIES OF HIS STINT AS A PERFORMER. HE HAD HIS CHOICE OF WOMEN, BOOZE AND DRUGS. PLEASE TROY, DON'T CRY. THERE ARE PLENTY OF GUYS THAT WOULD HANDLE THAT LIFESTYLE.
