The principles illustrated in this book through parables, epistles, Gospels, scripts, and passages are carefully selected in order to indicate 20 essential life-lessons that every Christian should implement in his/her life. After a brief historic background, the narrative will guide the listener through a biblical journey, initiating with Old Testament texts and passages by the prophets, which signify the divine intention in preparing the world for the forthcoming of Jesus Christ. Following that, the book will examine teachings, parables, the Beatitudes, and the sacrifice of Jesus for mankind, while considering the difference between the principles of the Old Testament and the New Testament, and what that means for modern Christians. Customer Reviews

This is a great series! I was pleasantly surprised about how accurate it is! The Bible also sold at is a much better series and it is accurate. I was disappointed. Why go to all the trouble and expense of making a Bible series for Christians who know and love the story and then mess the story up. This book is very highly recommended to all readers. Great job by the author.â ¸

This book made me see some things slightly differently. The message as always from God is that we need to put Him first and our brothers and sisters next..always with love (His definition).

I bought the short book which has been hugely lenghtened now. This book has taught me many new things what I didn't know about Christians and Christianity

Easy to read chapters. I'm really enjoying it. Very good bible study, and daily read.

I expected so much more from this book. Very disappointed.
