Customer Reviews

This coloring book is too awesome, it has all my favorite sneakers. The only thing I can say is that the book donâ™t have that many Lebrons but they did say why because they are coming out with a Lebron Coloring book. Paper is cool, it's not that bad, and you get two photos for every shoe. I have so much fun with this coloring book, I definitely recommended.

Wonderful book!!!! Having fun coloring in it. A great gift for kids and adults. Great coloring book for sneaker heads.

I love coloring this book you get double the pages to I definitely recommend.
