Charlotte's Web (Trophy Newbery)

Synopsis

Now available for the first time as an ebook! Illustrations in this ebook appear in vibrant full color on a full-color device and in rich black-and-white on all other devices. This beloved book by E. B. White, author of *Stuart Little* and *The Trumpet of the Swan*, is a classic of children's literature that is "just about perfect." Some Pig. Humble. Radiant. These are the words in Charlotte's web, high up in Zuckerman's barn. Charlotte's spiderweb tells of her feelings for a little pig named Wilbur, who simply wants a friend. They also express the love of a girl named Fern, who saved Wilbur's life when he was born the runt of his litter. E. B. White's Newbery Honor Book is a tender novel of friendship, family, and adventure that will continue to be enjoyed by generations to come. It contains beautiful, classic illustrations by Garth Williams, the acclaimed illustrator of E. B. White's *Stuart Little* and Laura Ingalls Wilder's *Little House* series, among many other books. Fern Arable has always been an animal lover. However, she had never saved a pig from an untimely injustice until the day she learned that her father planned on shooting a runt, just because

he had been too small. Begging her father for a chance to save the little oinker, Fern wins the battle, and is given the opportunity to raise the wriggling piglet as her own. Promptly named Wilbur, Fern falls in love with her new charge, and can't get him off her mind, even while at school. But as he grows bigger and bigger each day, things begin to change. Soon, Mr. Arable refuses to allow Wilbur to sleep in the house, then her father reprimands her for taking Wilbur for walks in her doll carriage. Soon, Fern is forced to sell little Wilbur to her Uncle Homer, where Wilbur is quickly swept away, and forced to live. Fern doesn't mind the arrangement as long as she can still see her beloved friend. But when she learns that Uncle Homer plans to fatten the little piggy up and then kill him, she's devastated. As is Wilbur. Confiding in the other farm animals, Wilbur begs everyone for their help in saving his life. Sadly, none of the animals seem to know what to do to keep Wilbur from meeting his fate. No one, that is, except for an intelligent spider known as Charlotte. Charlotte lives right above Wilbur in his tiny alcove, where she spends her days and nights weaving beautiful webs. When she decides to help Wilbur by spelling words and phrases such as "Some Pig" and "Terrific" in her webs, the county becomes interested in visiting this amazing pig, leaving Uncle Homer in awe, and giving him the chance to spare little Wilbur's life. CHARLOTTE'S WEB has been one of my absolute favorite stories since I was 6-years-old, which is why this Signature Edition of the tale instantly caught my eye.
