Sight Words - Flash Cards: 100 Key Words To Learn By Sight, With Learning Tips

Synopsis

The laminated flashcards in this pack are ideal for teachers, parents and caregivers to teach the most common sight words to children aged 3 and up. Single words appear in clear, appealing text on the double-sided cards, which are perfect for individual or class work. Notes are included with handy suggestions for games and activities with the cards.

Age Range: 3 and up

Grade Level: Preschool and up

Customer Reviews

I love the cover art on these flashcards, so I ordered them happily. However, while I know my kindergarten student will benefit from the working on her sight words, she will not get to enjoy any cute art in the process. The cards are simply flashcards with sight words clearly printed on them, but no art. I guess I had the impression that the darling art on the packaging would also be featured on the cards themselves. Not so.
