Customer Reviews

Marty Noble has brought us a gorgeous book, filled with complex, elegantly detailed, illustrations that will immerse you into the total experience of Mehndi. Using the traditional timeless Mehndi symbols including Peacocks, Birds, Flowers, Vines, Leaves, Paisleys, Butterflies, and more, she has created captivating illustrations that are complex, beautiful and timeless. Mehndi (A type of Intricate, temporary, mesmerizing, body painting, filled with symbolism, using henna, which has been performed for centuries in India) Once you bring life to these images, with the combination of color and your own unique creative style, they will be worthy of framing. A perfect gift for college

students, adults, some school aged children who enjoy more detailed coloring1. 31 Illustrations printed one per page (the back of each page is blank) on heavy weight, bright white, perforated paper for easy page removal.2. All markers and some Gel pens leak through this paper, place two pages of scrap paper under the page you are coloring to prevent damaging the page under it.3. Full page, very detailed, bordered and unbordered illustrations fill this book, the art work is flowing and the art style varies throughout the book.4. This book is perfect for Colored pencils, Gel pens or Ultra fine Markers: Most of the illustrations have many very small details.5. The details in the images are complete, you won't start coloring a detail and suddenly it disappears and you are not sure what to do next.6. I am adding my favorite pictures from this book, just in case the "look inside the book" feature doesn't work for you like it doesn't for me sometimes any way these are my favorites. Tip:1.
