Songs Sung Red, White, And Blue: The Stories Behind America's Best-Loved Patriotic Songs

Synopsis

Throughout our nation's history, patriotic songs have lifted our spirits during hard times and brought us closer to our heritage and to each other. Behind these "songs sung red, white, and blue" are unforgettable stories that will enrich your appreciation of their unique power. It's hard to imagine a single American who hasn't been touched deeply at one time or another by the songs in these pages. From the soaring chorus of "God Bless America" to the quiet poetry of "America the Beautiful," historian Ace Collins takes you inside the creation of thirty-two classic songs spanning two centuries. Military anthems like "The Marine's Hymn" and "Anchors Aweigh" share pages with other songs of war, such as the War of 1812's "The Star-Spangled Banner" and the Civil War's "Battle Hymn of the Republic." Popular tunes dating back to the earliest days of our nation, such as "Yankee Doodle," are included alongside contemporary hits like "God Bless the U.S.A." Other favorites like "This Land Is Your Land" and "This Is My Country" reflect on our nation in times of peace. You'll meet a surprising and diverse cast of behind-the-scenes characters, which includes both everyday Americans -- teachers, preachers, and soldiers -- as well as celebrated songwriters like Irving Berlin and George M. Cohan. Here are songs that are as close to our hearts as any ever written -- songs that form a rousing soundtrack to America's story.

Customer Reviews

A must read . What a great way to learn the background of how important songs from the past were written both words and music other than The Star Spangled Banner as we all should know..I highly recommend this book and also written by Ace are the back grounds of some Christmas music.

I love finding out the stories behind music. I have purchased all the books I could by Ace Collins so that I can better appreciate the songs. I have presented programs at my church about the origins and stories of some Christmas Carols and some of our countries songs. Great book.

Great little book full of possible trivia questions and some very interesting stories. I think I will get the other books in this group to learn the stories behind other great songs.
