Customer Reviews

I love this book! I am familiar with most of the songs, and it is a pleasure to be able to see all the words. I would recommend this book to anyone who knows the guitar chords and would enjoy 80s music.

I'd recommend this book for any beginner student of the keyboard who is a fan of 80s music. Nice mix of songs, and a great deal for the low price.

There was nothing wrong with the book. I didn't know most of the songs!
